4.3.4 Institution has facilities for e-content development
Enumerate the facilities for e-content development such as 1. Media Centre, 2.
Audio-visual Centre, 3. Lecture Capturing System (LCS), 4. Mixing equipments and
Software for editing

Name of the teacher	Name of the module developed	Platform on which module has been developed	Date of launching the e-content	Link to the relevant document and facility available in the institution	List of the e-content development facilities available	Provide link to videos of the Media Centre and recording facilities
