## **Republic Day Celebration**

Republic Day at the Institute of Engineering & Management (IEM) was a vibrant and patriotic celebration, resonating with the spirit of unity and national pride. The campus was adorned with the tricolor as students, faculty, and staff came together to honor the significance of this historic day.

The day commenced with the hoisting of the national flag, a symbol of India's sovereignty and democratic values. The ceremony was accompanied by the soul-stirring rendition of the national anthem, creating a moment of collective reverence. The flag hoisting was conducted by esteemed dignitaries, reinforcing the institute's commitment to upholding the principles enshrined in the Indian Constitution.

A series of cultural performances added color and energy to the festivities, showcasing the diverse talents of the IEM community. Students presented patriotic songs, dances, and dramatic performances that celebrated India's rich cultural tapestry.

The celebration also featured thought-provoking speeches, emphasizing the importance of democracy, secularism, and inclusivity. A sense of national pride permeated the air as students and faculty engaged in discussions on the role of youth in shaping the future of the nation.

In line with the patriotic spirit, the day concluded with a renewed commitment to the principles of justice, liberty, equality, and fraternity. Republic Day 2023 at IEM served not only as a commemoration of India's constitutional journey but also as a reminder of the shared responsibility in building a progressive and harmonious society.
